

# Morrell Moments

October 2024

## **We are back in Argentina!**

We praise the Lord for His provision as we start our second term of ministry here. It is already looking very different for us as we jump into new opportunities while still wrapping up the remaining work that the Lord has for us at camp. In the short time that we have been back, we have heard of many believers in cities around us that do not have a biblically sound church to worship within their city. As a result, they either travel long distances or participate in online services. **“The harvest truly is plenteous, but the labourers are few; pray ye therefore the Lord of the harvest, that He will send forth labourers into His harvest.”** Mark 9:37-38

While we are transitioning the leadership of the camp ministry we will be living in Chivilcoy but travelling to assist Colby and Lesa Holmes with church plants in Bragado and Nueve de Julio as well as a small group of believers in Salto. This provides many hours in the van as we will be travelling long distances to minister. **Please pray for our safety as we travel and for the salvation and growth of those that are currently attending as well as new souls to come to Christ. Pray for the Lord’s guidance as we seek His direction for a future church plant ministry.**

We thank the Lord for the growth of the camp ministry. Although there is much work to be done, Martin and Sandra are doing a good job keeping things running as groups come in. A great need that we have right now is for more cabin and bathroom facilities. We have begun repurposing our game cabins that do not have much use into cabins, bathrooms, and a meeting room in between. Our goal is to have at least one or two rooms ready for use by the time our camp season starts in January. **Please pray that the Lord would provide the funds and labor to carry out this project.**

We are thankful that Herman Moon is currently assisting us with the cabin project. **Please pray for safety as we work together. Thank you for your partnership in prayer!**

## Kid’s Corner

While we miss our friends back in Maine, it is good to be back in Argentina as we reconnect with some friends here. Sofia enjoys many days playing with the Moreno kids that live next door to us. The language is starting to come back. Please pray for adjustments back into the Spanish language and culture. We are going to two small church plants which means meeting new friends also, so that is nice!

Matthias received the diagnosis of Lyme disease right after getting down here although the blood test was done in July. Please pray for his healing as he is dealing with swollen joints.

Hannah, Jaimie, and Sheldon each continue their studies at ABC. It is so nice to have all three together while they are away from the rest of the family. Please pray for their continued growth and supply while they are preparing for future ministry. We are thankful for those who have given sacrificially toward their educational expenses making it possible for them to remain steadfast. Please pray this next week as they will have their annual mission conference.
